

## Gardner's Algebra 2

### E-Learning Assignment

Your assignment will be to take a very short quiz on adding, subtracting, multiplying polynomials. You should write the problems and show your work.

1. Go to [www.classzone.com/books/algebra\\_2/lessonquiz\\_national.cfm](http://www.classzone.com/books/algebra_2/lessonquiz_national.cfm)
2. Scroll down and click on "6.3"
3. Take the quiz **\*\*make sure to number and write down the problems\*\***
4. Right click on the results page and select "print"
5. Take a picture of the results page or scan it and email it to [agardner@boazk12.org](mailto:agardner@boazk12.org)
6. Bring the paper on which you wrote down the problems and showed your work to me no later than Friday, February 19<sup>th</sup>.

### Scoring Rubric

Emailing your results page	0-30 pts.
Turn in the printed results page	0-10 pts.
Turn in your problems and work	0-10 pts.
