

Gardner's Geometry

E-Learning Assignment

Your assignment will be to take a very short quiz on Perpendicular Bisectors. You should write the problems and show your work.

1. Go to www.classzone.com/books/geometry/lessonquiz_national.cfm
2. Scroll down and click on "5.1"
3. Take the quiz ****make sure to number and write down the problems****
4. Right click on the results page and select "print"
5. Take a picture of the results page or scan it and email it to agardner@boazk12.org
6. Bring the paper on which you wrote down the problems and showed your work to me no later than Friday, February 19th.

Scoring Rubric

Emailing your results page	0-30 pts.
Turn in the printed results page	0-10 pts.
Turn in your problems and work	0-10 pts.
